

**Celebration options for Weddings, Birthdays, Anniversaries etc.**

We have several options for you to celebrate in style and for a reasonable price.

Please keep in mind that **our venue is open air**, we don't have a function hall. Therefore you will have a magnificent view over the ocean in a rustic setting. If there is any unsure weather forecast we can have tents stand by to save your celebration.

**Of course it is impossible to make a standard package that fits everybody's needs. Feel free to inquire about any customizations according to your wishes.**
